Vin de France - 2023 - **ORANGE**

## PRESENTATION

Step into a world where tradition embraces innovation with Orange Blossom, an exceptional orange wine.
Crafted for the discerning palate, this wine is a harmonious blend of ancient winemaking techniques and modern craftsmanship. With extended skin contact, Orange Blossom reveals a captivating amber hue, enticing aromas of dried fruits, and a rich texture that elegantly balances between red and white wines. Elevate your tasting experience with Orange Blossom and explore the artistry of this distinctive style.

## THE WINE

**VARIETALS**: Sauvignon gris 100%
**WINEMAKING / AGEING**: Orange Blossom is meticulously crafted using 100% Sauvignon Gris, an heirloom varietal chosen for its unique aromatic profile. The grapes undergo prolonged skin contact, a nod to age-old winemaking techniques, extracting a mesmerizing amber color and a diverse spectrum of flavors.

## TASTING

The nose unveils an intricate bouquet of dried apricots, honeycomb, and a hint of white peach, characteristics intrinsic to Sauvignon Gris.
The palate is an exploration of texture and depth, presenting notes of tangerine zest, toasted almonds, and a whisper of floral undertones.

## SERVING / FOOD PAIRINGS

**SERVING**: 11°C
**FOOD PAIRINGS**: To truly unlock the richness of Orange Blossom, consider pairing it with dishes like roasted poultry seasoned with Mediterranean herbs or creamy risottos, allowing the wine's complexity to accentuate the flavors of the meal.
