MARRENON

MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

MARRENON, Les Cépages, Les Grains | Marselan 2022

IGP Méditerranée, France

This Marselan comes from the high altitude vineyard of Marrenon, inside a beautiful Regional Natural Park, in the South of France.

PRESENTATION
This Marselan is very rich, powerful, with velvety but persistent tannins and aromas of licorice and garrigue.

TERROIR
The soils are clay-limestone on south-facing plots.

HARVEST
The harvest is done early enough to keep all the freshness of the Marselan and the crunchiness of the grapes.

WINEMAKING
The temperature is controlled during the vatting and pressing. There is little work on the pomace cap in order to preserve the velvety tannins. Maceration is short, lasting just 8 days.

VARIETAL
Marselan 100%

13.5 % VOL.
Contains sulphites. Does not contain egg or egg products. Does not contain milk or milk-based products.

SERVING
This Marselan will perfectly accompany a stew, a duck confit or any type of Mediterranean cuisine.

TASTING

VISUAL APPEARANCE
The color is dense, dark, deep.

AT NOSE
The first nose is balsamic with notes of juniper (cade). Then notes of blackberry liqueur and sweet spices are revealed.

ON THE PALATE
The palate is rich, powerful, accompanied by velvety tannins, but well present. A touch of liquorice associated with notes of garrigue make up the aromatic perceptions of the palate. A beautiful persistence accompanied by a rather vigorous sensation finish the tasting.
