

Cuvée F. Château de Fontcreuse White

AOP Cassis (Provence), Cuvée F, White

Very lovely robe with golden highlights, limpid, bright, what intensity!

The nose is powerful, pleasant and fine.

Fruity notes with grapefruit, bitter almond, peach, followed by golden apple, more honeyed than the green apple, a voluptuous attack in the mouth, lively, very fleshy, all creating a vigorous, luscious and balanced wine... A great bottle.

What more can be said!
