WINE SELTZER

PRESENTATION

Et Voilà is a derivative product, a parallel story.
Based on wine, Et Voilà retains its original characteristics while creating a new identity.
An aromatic and slightly sparkling French Wine Seltzer with a limited alcohol level to enjoy it even more!

THE WINE

VARIETALS: Merlot 56%, Cabernet sauvignon 36%, Cabernet franc 4%, Malbec 4%
WINEMAKING / AGEING: Traditional vinification followed by the addition of water, natural aromas and carbon dioxide to obtain fine bubbles.

TASTING

This wine seltzer has a bright purple colour and a charming nose with aromas of blackcurrant and red fruits.
On the palate, a certain liveliness is supported by the bubbles and we enjoy a beautiful length on the aromas of red fruits.
