Château Lafont Saint Martin

AOC Entre-deux-Mers - 2024 - **WHITE**

PRESENTATION

"Château Lafont Saint-Martin represents 18 hectares of vines at the heart of Sainte-Radegonde hills. It includes grape varieties such as merlot, cabernet franc, cabernet sauvignon and malbec for the red wines and sauvignon, sémillon and colombard for the white wines. My brother, Quentin, and I are the 2nd generation of winegrowers in the family. We bought this estate 5 years ago and we are farming on two appellations : Bordeaux and Entre-deux-mers."
