Daguet de Berticot

Cuvées Insolites
IGP Atlantique - 2019 - **RED**

PRESENTATION

The Cuvées Insolites from Daguet de Berticot offer you lesser-known grape varieties from the South-West. They will introduce you to secondary varieties that are more resistant to the increasing warmth each year. Always simple and unpretentious, Daguet de Berticot is made for everyday enjoyment or spontaneous occasions. These specific cuvées are for anyone who loves new adventures and wants an accessible wine without compromising on quality. Young city dwellers who enjoy spontaneous aperitifs, as well as discerning enthusiasts seeking simplicity, will find in 'Daguet de Berticot' the ideal wine for a moment shared among friends or family.
