Château Moulinat

AOP Bordeaux - 2022 - **RED**

PRESENTATION

"Château Moulinat, is a family story, but most of all, a story of women. My great grand-mother, her daughter, and then my mother transmitted me the love of the vine. A very feminine filiation that lasts since the XIXth century, as demonstrated by a stone of the house dated from 1840. The name comes from the nickname of the miller which recalled his functions : “moulinat”. Today, I work with my husband, and we doubled the surface of our vines reaching now 25 ha."
