

Champagne Salon - Champagne Delamotte LE MESNIL-SUR-OGER

A UNIQUE TERROIR

The name Le Mesnil resonates in a special way with lovers of great wine. Nestled in the heart of the Côte des Blancs, 100% Chardonnay and 100% grand cru, this is the king of Champagne vineyards. It is here that the most profound expression of Chardonnay's delicate freshness truly comes to the fore, where magnanimous nature offers a wine that is purity itself.

TWO SISTER HOUSES

Fiercely attached to tradition and to the authenticity of their terroir, the sister houses of Salon and Delamotte work continually to render its fullest expression. The same eye to perfection reigns over the destinies of their champagnes, Salon and Delamotte. Driven by respect for honest tradition, the team perpetuates an expertise based on passion, rigour and patience.
