

Château Montaud Vignobles Ravel

Vignobles Francois Ravel is a family-owned company founded in 1964, when the Ravel family returned to Provence from Algeria. Little by little, the family created a viticultural estate that today is one of the most important in the Provence region.

The domaine is housed at Château Montaud, on the site of an ancient Roman settlement. This property includes the winery, bottling plant, and administrative offices of Vignobles Francois Ravel.

In addition to AOC Côtes de Provence wines, the domaine also produces a prestigious line of varietal wines.

Production adheres to the principles of low yields, no irrigation, and harvest at the point of perfect ripeness, advanced technology, and noble traditions.
