Wine, a simple pleasure for unique occasions!

Located on either side of the Loire, "Vignobles BERTHIER" produces wines from two appellations, Sancerre and Coteaux du Giennois.

Jean-Marie set up his winery in Ste Gemme en Sancerrois in 1983, founding Domaine des Clairneaux, where Sancerre White, Red and Rosé are produced. A few year later, in 1998, he took over his parent's vineyard in Coteaux du Giennois, Domaine de Montbenoit came into being.

In 2016, the Domaine de l'Oselier, located in the northern Coteaux du Giennois complements our vineyard.
