

## PAUILLAC 2016

Generations of local knowledge have taught our grape growers the secrets of each appellation. They know where to source the best grapes to create the most outstanding wines.

### ■ VINEYARD ATTRIBUTES

**Appellation** : AOC Pauillac, Bordeaux, France

Pauillac is located 40km North of Bordeaux on the left bank of the Gironde estuary.

**Terroir** : Pauillac enjoys exceptional climatic and geological conditions to make outstanding wines. Three of the five First Growth of the 1855 classification are from this famous appellation. Sitting on a beautiful gravelly hilltop, it provides the perfect ripening conditions for Cabernet Sauvignon, resulting in voluptuous, well-structured wines.

### ■ VINTAGE SUMMARY

2016 was a remarkable vintage in the Bordeaux region, reminiscent of the legendary 1990 in terms of both quantity and quality! The mild and rainy winter, was followed by a very wet cold spring, which fortunately didn't hinder the flowering. Spring gave way to a dry and hot summer which continued into a nice Indian summer with sufficient rain to enable the grapes to reach optimal ripeness. The resulting wines are rich, smooth and fruity with unusually ripe tannins and deep colours.

### ■ WINE MAKING SCHEME

This wine is made using traditional Bordeaux methods, the grapes are destemmed and crushed before being placed in thermoregulated stainless steel vats for fermentation. Fermentation is conducted at 30°C and is followed by three weeks of maceration with regular pumping-over to ensure a gentle extraction of the tannins. After malolactic fermentation, 60% of the wine is transferred into French oak barrels for a period of 12 months.
