

## AOC Beaumes de Venise Rouge 2022

AOC Beaumes de Venise, Vallée du Rhône, France

Beaumes-de-Venise is an elegant wine that develops magnificent aromas of red fruits, fresh pepper and blackcurrant.

### LOCATION

Spreads out over the south-east side of the Dentelles de Montmirail hills, in Beaumes de Venise in the southern part of the Rhone valley.

### TERROIR

On a poor sandy, hungry and arid soil consisting of tender limestone and gritty zones of sandy mollasse.

### IN THE VINEYARD

The vineyards and their terroir are the essence of our wines. This is where everything starts and where we focus our efforts throughout the year. You can't make great wine without great grapes.

The viticulture is essentially done by hand. Five people work full-time in the vineyards. They are supplemented by seasonal employees who work during bunch thinning and the harvest in order to bring out the very best in our vines. Working by hand and the attention each vine gets are fundamental. Pruning, de-budding, trellising, leaf removal and picking are thus carried out by hand with the utmost care.

We prepare the soil by using good old-fashioned ploughing. Organic compost is made from grape marc (the discarded stalks and skins).

We use and abide by countrywide standards for 'sustainable agriculture'.

As a way of protecting the plants, we only use phytosanitary products when necessary and within strict guidelines by staggering the treatments appropriately, to minimise the amount of chemicals used. We prefer to use as much as possible manual and organic techniques. Leaving natural grass cover, removing buds and leaves from the vines, preserving biodiversity around the vineyard: olive, almond and cypress trees, wild rosemary and capers.

### WINEMAKING

We make two red wines at the estate. Terroir wines shaped by the two classic Côtes du Rhône varieties: Grenache and Syrah. We don't follow any winemaking recipe but are constantly searching for the perfect expression of terroir and each vintage's particular characteristics. We don't go for overripe grapes and over-extraction, as we think the wine has to stay refreshing and balanced.

Leaving the wine for 15 days in concrete vats, we try to gently extract the tannins and anthocyanins essential for the wine's structure and colour. The wine doesn't come into any contact with wood during ageing. This way the characteristics of our terroir can fully express themselves.

**VARIETALS**

Grenache 60%, Syrah 25%, Marsanne 6%, Mourvèdre 5%,  
Grenache blanc 4%

14 % VOL.

**TECHNICAL DATA**

Production volume: 130 hL  
Yield: 38 hL/ha  
Age of vines: 50 years old

**SERVING**

They are pleasant to drink young. But good ageing wine can be kept from 8 to 10 years.

**TASTING**

The nose is complex, delicately spicy with black fruit aromas. The palate has a pleasant roundness with a subtle tannin structure expressing the notes of fruit and spice found in the nose.

**FOOD PAIRINGS**

These elegant red wines are excellent with red meat and game, with a stew or even a truffle omelette.

**REVIEWS AND AWARDS**

91-92/100

"Entre poivre et violette, son fruit doux et plein est porté par des tanins solides mais mûrs qui demanderont un ou deux ans pour canaliser leur puissance. Un beau référent de Beaumes-de-Venise."

Roberto Petronio, La Revue du Vin de France, 04/07/2023

92/100

"Le nez est expressif sur le fruit rouge acidulé avec des notes épicées. De la finesse dans le tannin qui a besoin d'air pour se détendre. A boire d'ici deux ou trois ans. A noter, les cépages blancs (10%) dans l'assemblage."

Louis-Victor Charvet, EnMagnum, 01/12/2023
