### THE VINTAGE

Extremes of weather and rare early development characterized the 2011 vintage. An exceptionally hot, dry spring (the warmest on record for the past 50 years) enabled the first flowers to make their appearance four weeks ahead of schedule.

Vineyard growth, however, slowed until mid-July due to water stress, requiring flexibility during green operations when the work had to be staggered and repeated.

Scorching hot days were a feature of 2011 (maximum highs of 39°C on June 26th and 27th), which led to light scorching of some of the Cabernet Sauvignon. July and August brought mixed weather, July being cool and rainy, whereas August was hot and sunny, bringing with it gradual maturation.

### Wine Spectator

90-93/100

"A ripe, plush, modern style, with a ganache note leading the way for crushed plum, blackberry and currant pâte de fruit notes. Lots of briar and anise on the finish lends a grippy feel. Rock-solid. An estate rapidly on the rise."
