TAIN L'HERMITAGE - FRANCE

Maison Les Alexandrins Hermitage - 2021

AOC Hermitage, Vallée du Rhône, France

Maison Les Alexandrins, a signature modern in approach and contemporary in style. Our red Hermitage comes from three terroirs that complement one another beautifully and are the source of all its strength. This wine offers a fine aromatic palette with fruity, spicy, woody and smoky notes. A remarkable blend that brings out the complexity of this wine.

DESCRIPTION

A partnership between two winegrowers from the Rhône Valley – Nicolas Jaboulet and Alexandre Caso – Maison les Alexandrins produces northern wines in a style at once contemporary and timeless, always from exceptional vineyards unearthed by Alexandre Caso, a specialist in the terroirs of the northern Rhône Valley. Classics with a twist, these wines and how they are aged and blended are guided by the quest for perfect harmony from a very young age. The grapes come from places called "Grandes Vignes", "Greffieux" and "Murets".

TERROIR

The terroir is complex and varied, comprising granite, pebbles and limestone. In the locality of Grandes Vignes, the soil is dominated by granite. The wines produced here have a certain minerality but also a fine tannin structure. This sector accounts for 30% of our blend. The wines we produce from pebbly terroirs are aromatically rich and complex. They represent the backbone of our wine and make up 60% of our blend.

Lastly, the chalky soil provides the finishing touch of the wine's finesse and elegance.

These three complementary terroirs all play a role in the final blend.

THE VINTAGE

2021 was a winemaker vintage and required great responsiveness to very variable weather, comforting us in the pursuit of our good work in the vineyard. Winter was mild, followed by spring frosts before a dry mid-spring and then a cool summer with record rainfall. By stripping the leaves at the beginning of July, our grapes remained healthy. The harvest started in good conditions with the whites on September 13th in Brézème (-80% harvest due to frost), followed by Crozes-Hermitage and Condrieu. The summer conditions preserved a rare balance in our region. The Marsanne and Roussanne reveal freshness, minerality and precision, the Viogniers aromas of fresh fruit and a mouth full of finesse. For the reds, the lowland vineyards are full of indulgence with floral aromas and soft tannins. Finally, the granite terroirs reveal notes of pepper and spices and a rich palate.

LOCATION

This Grand Cru's classic reputation has been built over the centuries around one hill and a history steeped in legend. Appreciated as far back as Roman times when they were called "Vienne wines" (like those from Côte-Rôtie), Hermitage wines then became known as "wines of the slopes of Saint-Christophe", named after the local chapel dedicated to the saint. It would seem that the name Hermitage first appeared in the 17th century in memory of the knight Henri Gaspard de Stérimberg who, in the 13th century, on his return from the Albigensian Crusades, decided to live as a hermit on this hill, granted to him by Blanche of Castile, Queen of Spain. He is said to have replanted a vineyard which went on to take the name of Ermitage, and then Hermitage. This was only the beginning of the vineyard's success; it is said that under the reign of Louis XIV, Hermitage was the favourite wine of the Russian tsars. The list of Hermitage enthusiasts is as long as it is illustrious, including as it does Henry IV, French poet Boileau, Louis XIII, Louis XIV, Nicolas II and Alexandre Dumas.

Perfectly balanced between a powerful and distinguished structure, a beautiful freshness and a slight delicacy, the palate is of great dignity, with finely crafted tannins.
