### THE VINTAGE

What a humid and fresh start of the year! Very constant rainfalls and fresh temperatures involved an unseen delay in the vegetative cycle, the climatic data of the property weather station prove it. The flowering took place for the last two weeks of June in the rain after a homogeneous bud bursting. These climatic conditions involved some shatter and shot berries so that the yield is a bit lower. Fortunately, July and August were hot and dry so that we managed to catch up on our delay and to bring the berries to maturity.

### TASTING NOTES

The Château Pédesclaux 2013 has a complex, very interesting aromatic palette and shows a fine balance. Purple color. Elegant notes of black fruits such as cherry and blackcurrant, with a touch of sandalwood developing all along. The palate is round and reveals slight roasted notes lengthened by polished and velvety tannins. The finale is fresh and mineral.

Tasted at the Château in June 2016

### REVIEWS AND AWARDS

#### Wine Spectator

90/100

"Offers grippy plum and black currant fruit, with charcoal and tobacco shadings filling in and a lovely floral note throughout."

Wine Spectator, 01/02/2016

88-90/100

"The classical Pauillac notes of cedar wood, Christmas fruitcake and crème de cassis make an appearance in this wine. It is medium to full-bodied, shows good, even excellent depth, impressive purity, no herbaceousness or astringency and plenty of blue and black fruits that are often characteristic of a top Pauillac. The tannins are light."

Robert Parker

#### Decanter

90/100

"Purple-red, rich Cabernet-Merlot nose, good ripeness and very modern Pauillac, this Château is on the way up."

Decanter

#### bettane + desseauve

88-90/100

"Important progress and very promising evolution for the vintage. It has a remarkable terroir quality, exact oaked notes, and raced tannins of typical Pauillac. Bright future and an obvious value for money."
