

# Champagne, Francis Orban, Prestige, AOC Champagne, Effervescent Brut

AOC Champagne, Champagne, France

A true pioneer, he was the first to install a press in Leuvrigny, a small village in the heart of the Marne Valley, in the charming Vallée du Flagot. Léopold Orban began making champagne, and this adventure was to inspire his son Gaëtan.

Gaëtan set about developing the business and boosting operations throughout the socalled "30 Glorieuses"! He devoted all his time to developing the brand, masterfully managing the sales activity and placing the 40,000 or so bottles produced at the time.
