

No Limit

Blanc de Noirs, No Alcohol
WHITE

PRESENTATION

Still not recovered from last night's party? Health at the heart of your priorities? Personal convictions? Simply want to drink without alcohol?

NO LIMIT is the perfect answer to all these obstacles to alcohol consumption. There is no limit except the capacity of the bottle... and believe us, you may want to cross that limit and open a second one! We won't tell, we promise.

THE WINE

VARIETALS: Merlot 100%

WINEMAKING / AGEING: Vinification of the Blanc de Noirs on the fruit to provide a good base for the final product. Rebalancing of the sweetness and aromas in order to preserve the qualities of the basic wine while offering an original and tasty product. It is then carbonated to give it its sparkle.

ALCOHOL CONTENT: 0.0 % vol.

TASTING

This no-alcohol wine is characterized by a light pale gilded robe from which fine bubbles release crisp aromas of green apple, peach and white pear.

The palate is very aromatic, reflecting the greediness of Merlot, but with a certain tension and citrus notes. A fresh profile to serve again and again.
