PRESENTATION

Located in the heart of the Marne Valley, Champagne Denis Salomon is a family estate that proudly continues a winemaking legacy built over generations. Committed to sustainable viticulture, the estate cultivates its vines on clay-limestone hillsides where Pinot Meunier thrives alongside Chardonnay and Pinot Noir. The estate limits interventions in the vineyard, focusing on soil health and environmental balance. Manual harvesting ensures the selection of perfectly ripe grapes, which are vinified parcel by parcel to preserve each terroir's uniqueness. Fermentations in temperature-controlled stainless steel tanks capture the full aromatic potential of the fruit, while extended lees aging enhances complexity and texture. The champagnes are refined and elegant, marked by white fruit, citrus, and floral notes, lifted by a saline touch and a long, graceful finish.

VARIETALS

Pinot Noir 75%, Pinot meunier 25%

LOCATION

The crus are located in Vandières, Verneuil, and Venteuil.

TERROIR

Terroir characteristics include clay-limestone soils and gently rolling hills, offering excellent drainage and ideal sun exposure for balanced grape ripening.

IN THE VINEYARD

From the moment he arrived, Nicolas committed to a more responsible and environmentally respectful approach to viticulture.

WINEMAKING

Vinification takes place in stainless steel tanks. Malolactic fermentation is not sought, and the wine undergoes light filtration.

AGEING

Aged on lees in bottle (sur lattes) for 5 years.

SERVING

Serving Temperature: 10–12°C

AGEING POTENTIAL

3 to 5 years

TASTING

This cuvée Terre Amoureuse offers a more structured Champagne, with an intense nose of flowers and ripe fruits. It is accessible, refined, with a long finish and delicate fine bubbles.

FOOD PAIRINGS

Ideal as an aperitif or with shellfish.
