IGP Pays d'Oc, France

Court-Jus is much more than a wine: it's an organic, fair-trade, returnable project that combines quality, ecological commitment and solidarity. By returning your returnable bottles, you're helping to reduce waste and promote a circular economy. Each bottle tells the story of a wine grown with care, sold without intermediaries, to guarantee fair remuneration for the producers. By choosing Court-Jus, you are adopting a responsible approach to consumption, respectful of the planet and those who grow it.

PRESENTATION

As guardians of agriculture, we are firmly committed to respectful and sustainable viticulture. Court-Jus is the embodiment of this commitment. As France's first organic wine in reused bottles, it is fair trade, with 50% of the selling price paid directly to the producers, guaranteeing fair remuneration.
