PRESENTATION

Located in the heart of Savigny-lès-Beaune, this family estate dates back over five centuries. Brothers Philippe and Jean-Jacques Girard, heirs to ancestral know-how, each developed their own estate. Today, Arnaud Girard, Philippe's son, takes over. The estate spans 11 hectares, practicing sustainable viticulture, with a distribution of 60% whites and 40% reds, on prestigious appellations: Savigny-lès-Beaune, Pernand-Vergelesses, Aloxe-Corton, Nuits-Saint-Georges, Pommard, and Volnay. Vinifications respect the vintage, with careful aging in oak barrels, offering elegant wines with great aging potential. Its distinctive feature? Rigorous family transmission and precise vinification that honor the terroirs of the Côte de Beaune.

IN THE VINEYARD

The vineyard is managed with great care: regular soil tilling encourages root development, while thoughtful canopy management and green harvesting help control yields and optimize ripeness. Harvesting is adapted to plot and grape maturity, carried out manually or mechanically depending on the conditions.

WINEMAKING

100% destemming, pre-fermentation cold maceration for 4 to 5 days. Gentle extraction through pump-overs and punch-downs. Total vatting lasts 10 to 15 days, ensuring fruit purity and refined tannin integration.

AGEING

Aged for 9 months in oak barrels, including 10% new oak, to subtly support the wine's structure without masking its fruit-driven character.
