

LAURENT DELAUNAY

LES GRAPPILLAGES

Curated by Laurent Delaunay, fifth-generation winemaker from one of Burgundy's most esteemed wine families, Les Grappillages is a tribute to the rich heritage of this legendary winemaking region. Laurent's focus is on crafting elegant Pinot Noirs and Gamays, alongside mineral-driven, balanced Chardonnays—all presented in a modern, stripped-down style that highlights the essence of the terroir.
