

# PETIT BOIS

The name "Petit Bois" is inspired by the richness and diversity found in a primary forest, where each tree, unique in its kind, contributes to the harmony of the whole. Just as this forest harbors a variety of tree species, our range of "Petit Bois" wines brings together a multitude of single grape varieties from the Pays d'Oc, each expressing its own character. Like a tree in the forest, each wine brings its uniqueness, creating a collection of wines as diverse as it is authentic, reflecting the richness of our terroir.
