

Domaine Henri Gouges

An essential reference in Nuits-Saint-Georges, Domaine Henri Gouges is a family estate where six generations have succeeded each other. Specializing in the expression of Pinot Noir, it exploits 14 hectares, spread over 10 parcels classified as AOC, including 7 Premiers Crus and a prestigious monopoly: Clos des Porrets Saint-Georges.

The estate is also famous for Pinot Gouges, a white mutation of Pinot Noir discovered in Clos des Porrets in 1936. Following the principles of Organic Agriculture, the vines are cultivated with great respect for the soil and biodiversity.

In the cellar, vinifications are low-intervention, with infusion extraction, gentle pressing, and aging in French oak barrels (10 to 30% new wood). The estate's wines combine power and refinement, offering cuvées designed for long aging.
