

Morgan Truchetet

Domaine Morgan Truchetet is a vibrant new name rooted in a long family tradition. Based in Premeaux-Prissey, at the southern tip of the Côte de Nuits, Morgan Truchetet took over the estate in 2019 alongside his sister Julie, representing the sixth generation of vignerons. Together, they bring a fresh and committed vision, focused on living soils and the expression of Burgundy's great terroirs.

Today, the estate spans around 7 hectares, certified organic since 2023. The winemaking is precise and low-intervention, designed to let the natural elegance of the grape varieties shine through. One emblematic story captures the spirit of the estate: the creation of "Fleur de Pinot," a cuvée made from hand-selected millerandé grapes at the sorting table. This rare and meticulous approach reflects the high standards and craftsmanship that define every wine from Morgan Truchetet.
