

Domaine Des Homs

In the heart of the Minervois, Domaine des Homs flourishes at the crossroads of Mediterranean influences and the cooler temperate breezes flowing from the nearby hills. This distinctive climate balance gives the wines a dual identity, generous and sun-filled in ripeness, yet precise and structured on the palate.

A family estate committed to organic farming, Domaine des Homs carefully cultivates the emblematic southern varieties Syrah, Grenache and Mourvèdre on clay-limestone and stony soils. These living soils encourage deep root systems and allow for an authentic expression of terroir.

In the cellar, the philosophy remains thoughtful and restrained. Extractions are gentle, and extended ageing in oak barrels refines the texture without overshadowing the fruit. Each cuvée seeks a harmonious balance between power and elegance.

The red wines reveal aromas of ripe dark fruit, spice and garrigue, supported by a full, structured and persistent palate.

Domaine des Homs stands as a benchmark of the Minervois, where intensity and finesse naturally come together.
