

Chateau Pigoudet

North of Aix-en-Provence, Château Pigoudet thrives in a preserved natural setting in the heart of the Coteaux d'Aix-en-Provence. Surrounded by rolling hills and swept by cooling winds, the vineyard benefits from generous sunshine tempered by constant ventilation, ideal conditions for preserving freshness and aromatic brightness.

The estate follows a sustainable approach to viticulture, with careful attention paid to soil vitality and limited use of inputs. Harvesting takes place at night, when temperatures are lower, in order to retain the grapes' full aromatic purity and ensure precision from the very start of the winemaking process.

Renowned for its delicate and luminous rosés, Château Pigoudet crafts wines that are both refined and approachable. The whites stand out for their finesse and crystalline freshness, while the reds reveal supple elegance and balance.

Each cuvée captures the spirit of Provence, blending notes of red berries, citrus and white flowers with a vibrant and harmonious palate.

Château Pigoudet embodies a fresh, contemporary expression of Provence, where elegance is
