Chateau La Baronne is located in Moux, near Carcassonne, and belonged to the Lignerès family since 1890. Besides being winemakers, they've been doctors from father to son since the beginning. Located in the Montagne d'Alaric, highest point of the Languedoc which terroirs represented 4 geological eras, the family is fond of healing people the most naturally way possible; they are organic since 2007 and biodynamic since 2012!
