PRESENTATION

Thanks to its beautiful freshness, it will be an ally of choice as an aperitif.

LOCATION

With the ENVIE collection, Marrenon invites you to the heart of a magnificent, dazzling territory, in the heart of the Luberon Regional Natural Park - UNESCO biosphere reserve... Discovery and amazement at the richness offered by this land, with wines with a unique and generous personality.

TERROIR

Clay-limestone plots.
Sustainable farming and respectful vineyard practices.

HARVEST

Harvested at night, in the first half of September. A plot of Grenache in a cold area, ripening slowly and late. The choice of harvesting at a low degree of alcohol meant that the very first juices from the press had to be very carefully selected to avoid any herbaceous notes.

WINEMAKING

Fermentation on clear juice at low temperature. Aged on fine lees to refine the smoothness on the palate.

VARIETAL

Grenache noir

SERVING

Thanks to its beautiful freshness, it will be a perfect match with an aperitif but also with grilled meats.

AGEING POTENTIAL

Enjoy all year long

TASTING

Cuvée marked by freshness, notes of red fruits and a beautiful liveliness.
