

Zuazo Gaston

The Zuazo Gastón estate, nestled in the heart of La Rioja, Spain, spans over 100 hectares certified in organic farming since 2014 and biodynamics since 2018. The Gaston family now runs operations and has been involved since the late 20th century, with roots dating back 5 generations. Committed to reflecting the region's terroir, the estate creates magic with the emblematic varietal of the region: Tempranillo on clay-limestone soils, complex and age-worthy wines.
