

Clairmont

For over 50 years, Clairmont has thrived on the strength of a close-knit collective of vintners. Bound by shared values and a spirit of collaboration, 8 families and 19 winemakers have come together to harness their collective expertise. Their goal: to craft exceptional wines from 132 hectares of vines spread across the prestigious appellations of Crozes-Hermitage, Saint-Joseph, and Collines Rhodaniennes. This synergy of skills and vision continues to define the essence of Clairmont's winemaking legacy.
