

DOMAINE DE LA LAUSE

GRANDS VINS DU LANGUEDOC

Domaine de La Lause, owned by Abbotts & Delaunay, is a 10.5 hectare vineyard nestled in the heart of the Corbières, in Monze, on the cool terroir of the foothills of the Montagne d'Alaric. This rocky outcrop plays a key role in the estate's climate, regularly blocking out the clouds and providing a very positive Mediterranean influence. Planted with southern grape varieties, it embodies the balance between the Mediterranean intensity of its terroir and the Burgundian finesse provided by the Delaunay family. Since its acquisition in 2019, the estate has benefited from meticulous work to sublimate its potential and achieve an exemplary level of precision. The estate's first vintage was produced in 2023.

The estate offers two Corbières cuvées made from a blend of the estate's plots and two remarkable single vineyards, meticulously chosen to reveal the unique character of their terroir.
