

Domaine De Cardon

Domaine de Cardon represents a modern vision of Burgundy, driven by a new generation of winemakers committed to crafting sincere, vibrant wines. The vineyards are carefully farmed with respect for the soils and natural balance, with manual harvesting and rigorous grape selection.

What sets the estate apart is its low-intervention and intuitive approach, focusing on fruit, energy and a clear expression of terroir. In the cellar, winemaking aims to guide rather than shape the wine.

The wines stand out for their freshness, spontaneity and drinkability, offering pure, expressive cuvées with a distinctly contemporary style.
