

Domaine Vincent Lumpp

In Givry, Domaine Vincent Lumpp is one of the estates that has redefined the potential of the appellation. Coming from a family of winemakers, Vincent Lumpp took over the domaine with a clear ambition: to reveal the precision and depth of Givry's finest terroirs.

The vineyard covers around 9 hectares, with a strong presence in some of the village's most renowned Premier Cru sites. Each parcel is farmed with great care, with a focus on precision and respect for the fruit.

What sets the estate apart is the clarity and purity of its wines, achieved through highly controlled winemaking and perfectly integrated oak ageing. The wines offer finely chiselled, elegant and intense Pinot Noirs, now considered among the benchmarks of Givry. A distinctive signature where technical precision is fully dedicated to expressing the terroir.
