

Domaine Bouzereau Gruere

Located in Meursault, Domaine Michel Bouzereau et Fils is a family estate of around 9 hectares, with vineyards mainly situated on the renowned terroirs of Meursault and a few neighboring parcels within the Côte de Beaune.

One distinctive aspect of the estate lies in the approach of Michel Bouzereau, who chose early on to focus almost exclusively on white wines, while many Burgundy domaines maintain a more balanced production between reds and whites. This deliberate choice has allowed him to refine a very precise style centered on Chardonnay and the expression of Meursault's terroirs.

Both in the vineyard and in the cellar, the philosophy remains discreet and meticulous, allowing each climat to express its character. The wines stand out for their purity and precision, offering Meursaults that are both generous and mineral, with remarkable elegance and strong ageing potential.
