

# Château Sainte Eulalie

---

Perched on the heights of the Minervois, Château Sainte Eulalie overlooks a landscape shaped by light and garrigue. Here, the vines draw their strength from a contrasting terroir of clay, limestone and rolled pebbles, where warm days and cool nights shape grapes of concentration, balance and expressive character.

The estate cultivates this singularity through a sustainable and attentive approach. Soils are carefully managed to preserve their vitality, and each parcel is guided with precision to reveal its unique personality. In the cellar, intervention remains measured: gentle extractions, tailored ageing and a constant search for harmony rather than power for its own sake.

The reds express the true soul of the Minervois, generous texture, ripe dark fruit, notes of garrigue and spice, supported by a structured yet refined framework. The whites offer a luminous counterpoint, combining freshness, tension and fine minerality.

Château Sainte Eulalie embodies a high-altitude Minervois style, both powerful and elegant, where sunlight becomes structure and terroir the signature.
