

# Domaine Alexis Gondard

Located in the heart of the Mâconnais, within the renowned terroirs of Viré-Clessé, the Domaine Alexis Gondard embodies the renewal of a demanding and inspired southern Burgundy. Since gaining independence from the Viré cooperative winery in 2008, the estate has cultivated around 11 hectares of vineyards, primarily in AOC Viré-Clessé, alongside Bourgogne Chardonnay and Mâcon-Villages, with a clear ambition to reveal the full character of these terroirs.

The estate is built on a precise and thoughtful interpretation of the region's clay-limestone soils, which define its identity. Farmed under organic practices, with hand harvesting, it follows a respectful approach to the living environment and the natural rhythm of the vine. In the cellar, spontaneous fermentations, ageing in both tanks and oak barrels, and a carefully controlled use of wood allow the wines to develop without ever compromising their purity, energy or depth.

Alexis Gondard's wines stand out for their brightness, precision, and the elegant tension that defines the great white wines of the Mâconnais. Combining floral finesse, expressive fruit and a distinct mineral backbone, they offer a sincere and contemporary expression of Viré-Clessé. The estate is now regarded as one of the most promising names in the area, producing wines that are refined, focused and deeply rooted in their origin.
