

# Domaine de la Juvinière

Located in the Côte de Beaune, Domaine de la Juvinière farms around 45 hectares of vineyards spread across several parcels along the Côte. This significant vineyard area allows the estate to explore a wide diversity of Burgundy's terroirs.

The domaine stands out for its ability to combine scale with precision, a rather uncommon balance in Burgundy. Despite the size of the vineyard, each parcel is carefully managed in order to preserve the identity of the terroirs and the quality of the fruit.

Both in the vineyard and in the cellar, the work focuses on consistency and attention to detail, with manual harvesting, careful vinifications and well-balanced ageing. The wines offer freshness, balance and vibrant fruit, faithfully reflecting the elegant style of the Côte de Beaune.
