

# Domaine Des Terres Dorées

Located in Charnay, at the heart of the golden-stone landscapes of southern Beaujolais, the Domaine des Terres Dorées was founded in 1979 by Jean-Paul Brun. Starting with only 4 hectares, it now spans nearly 60 hectares, planted mainly with Gamay for the reds and Chardonnay for the whites, complemented by small parcels of Pinot Noir and Roussanne. The estate produces a wide range of wines, from characterful Beaujolais to prestigious crus such as Fleurie, Morgon, Brouilly, Côte de Brouilly and Moulin-à-Vent. Visionary and uncompromising, Jean-Paul Brun has always sought to reveal the true identity of his terroir, favoring Burgundian-style vinifications with indigenous yeasts, environmentally respectful viticulture, and minimal intervention in the cellar. His wines, acclaimed for their freshness, pure fruit expression and ageing potential, embody a sincere and contemporary vision of Beaujolais.
