Southern Rhône, Xavier Vignon, Arcane Les Amoureux, AOC Côtes du Rhône, Rouge

AOC Côtes du Rhône, Vallée du Rhône, France

Xavier Vignon is one of the top consultant winemakers in the south of France. He used to be a master Champagne blender (so he knows a thing or two about constructing wines) but now lives in the Rhône Valley from where he visits around 300 estates to advise them on viticulture and vinification. At the end of each year, as he hands over his bill, he offers some of his employers to exchange it for barrels to make his own blends - well, that's more or less how it works!

PRESENTATION

Xavier is a great enthusiast of blending and is always on the lookout for terroirs with potential as he works with creative freedom to produce top wines. The result? A collection of wines adding a modern touch to the pure essence of Rhône wines, each one meticulously created with quality fruit collected from carefully-chosen vines: the Arcane series is the expression of a vintage, a grape variety or a terroir. Each cuvée is a limited edition. This Arcane is a homage to the 2016 vintage. 5 of the southern Rhône's most iconic crus have been blended together in a single cuvée.

Beaumes-de-Venise bring pleasant notes, fruity and fresh.

Juices from the Saint Amand Hill (600 meters above sea level, highest point of the Dentelles de Montmirail)

Vacqueyras is more aromatic, it brings notes of garrigue, floral notes and a certain sweetness.

"A blend of lots from five different Southern Rhône crus (and hence declassified to Côtes du Rhône), the 2016 Cotes du Rhone Arcane VI Les Amoureux is a stunning effort, showcasing raspberry and strawberry fruit, a silky-creamy texture and lush, mouthwatering flavors. No, it doesn't speak of the individual terroirs (Beaumes de Venise, Gigondas, Lirac, Rasteau, Vacqueyras), but it delivers sheer deliciousness."
