BRUNOLAFON
wine selection

San Matteo, Villa Degli Olmi, DOC Prosecco, Italy

The San Matteo winery has existed since 1895 and has become an important player in the Prosecco production since then. The 40-hectare vineyard stands in the heart of "Proseccoland", close to Vicenza. A student of some of the top Italian wine professors (Manzoni, Muller and Micconi), Bruno Cielo began bottling the property's wines in 1959. With a 10,000 square meter state of the art winery with 4 completely hermetic bottling lines, the estate insures the purity of their product and reactivity to demand.
