Vin de France, VSIG, France

While working as an oenologue in Provence, Valérie Courrèges was looking for an outstanding terroir with which to settle down, and in 2019, came across the perfect opportunity to settle in Cahors. Now based in the South West, Valérie tends 22 hectares of old vines rooted in a sublime terroir of clay and limestone.

PRESENTATION

For Valérie Courrèges, becoming an artisan winemaker is the concrete expression of a passion and encounters that bring together “the different branches of fruit” to create beautiful cuvées. Knowing, nurturing... it's the education of several months to create the quintessence of a bottle; each beverage is the reflection of a person and a risk-taking before taking flight!
