

## Muscat de Beaumes de Venise Blanc 2022

AOC Muscat de Beaumes-de-Venise, Vallée du Rhône, France

Muscat de Beaumes-de-Venise is a sweet wine with a lovely freshness and captivating aromas of rose and apricot.

### LOCATION

Spreads out over the south-east side of the Dentelles de Montmirail hills, in Beaumes de Venise in the southern part of the Rhone valley.

### TERROIR

On a poor sandy, hungry and arid soil consisting of tender limestone and gritty zones of sandy mollasse.

### IN THE VINEYARD

The vineyards and their terroir are the essence of our wines. This is where everything starts and where we focus our efforts throughout the year. You can't make great wine without great grapes.

The viticulture is essentially done by hand. Five people work full-time in the vineyards. They are supplemented by seasonal employees who work during bunch thinning and the harvest in order to bring out the very best in our vines. Working by hand and the attention each vine gets are fundamental. Pruning, de-budding, trellising, leaf removal and picking are thus carried out by hand with the utmost care.

We prepare the soil by using good old-fashioned ploughing. Organic compost is made from grape marc (the discarded stalks and skins).

We use and abide by countrywide standards for 'sustainable agriculture'.

As a way of protecting the plants, we only use phytosanitary products when necessary and within strict guidelines by staggering the treatments appropriately, to minimise the amount of chemicals used. We prefer to use as much as possible manual and organic techniques. Leaving natural grass cover, removing buds and leaves from the vines, preserving biodiversity around the vineyard: olive, almond and cypress trees, wild rosemary and capers.

### WINEMAKING

In the spirit of respecting traditional techniques and the best elements of modern technology, cellar manager Andrew Hall and his winemaker son Romain Hall take family traditions very seriously.

When making our wines, the Muscat de Beaumes de Venise plays a central role and requires great care. After picking the grapes by hand, we press them straightaway to ferment the juice without skins. We don't add any yeasts and keep the alcoholic fermentation in check by temperature control. Vin Doux Naturel winemaking involves stopping fermentation to preserve the grapes' natural sweetness. During vinification, we watch the vats day and night and add the fortifying spirit just at the right moment. At this stage, the wine's final balance is at stake. The wine is then aged in stainless steel tanks for 6 months before bottling.

Tulipe!

"Le bouquet fédérateur et apaisant de ce 2022 devrait être classé au patrimoine mondial de l'UNESCO : muscaté, évidemment, rose et abricot, pêche de vigne et pamplemousse, on se laisse envouter et conduire vers une bouche délicate et onctueuse, flatteuse mais sans excès, dont le sucre et le mutage s'effacent au profit du fruit jusqu'en finale. Véritable ode à la délicatesse et à la gourmandise, ce 2022 tire bénéfice d'un profil plus avenant que ses prédécesseurs, ce qui n'est pas une faiblesse, bien au contraire."

Olivier Borneuf, La Tulipe Rouge, 04/07/2023

"Son nez profond nous plonge dans le grain de muscat presque passerillé. Puissant, volumineux et intense, il aura besoin de deux à trois ans au minimum pour s'épanouir pleinement car c'est un coureur de fond. "1400 Grands vins de France Eté 2023""

Roberto Petronio, La Revue du Vin de France, 04/07/2023

92/100

"Le Muscat de Beaumes-de-Venise 2022 se montre expressif sur les fruits à chair jaune. Le vin est ample et suave sans déborder de richesse en sucre."

Olivie Poussier - Meilleur sommelier du monde 2000, La Revue du Vin de France, 14/09/2023

15.5/20

"Tasted blind. Honeyed with a ripe marmalade and apricot note. Unctuous and sweet with a textured finish and good, fresh acidity through the finish."

Jancis Robinson, 10/10/2023
