Grain de Vie

IGP Atlantique - 2020 - **RED**

PRESENTATION

A ground-breaking range of IGP Atlantique Organic wines by Vignerons mais Autrement! Grain de Vie was born of our willingness to offer a quality, healthy organic wine to appeal to the most diverse range of health-conscious wine lovers. With on-trend attractive natural packaging, it promises to be a key brand in the wine market. From vine to bottle, Grain de Vie is 100% respectful of the environment: corks made of sugar cane, labels made of recycled paper, capsules, cases and bottles produced with a lower carbon footprint.
