

LA BELLE ANGÈLE

SO FRESH SO FRENCH

La Belle Angèle is a collection of French wines that celebrates the French art of living with freshness and elegance. Inspired by the Roaring Twenties, it offers a range of accessible, fruity, and appealing grape varieties, as well as a wine-based spritz. Its vibrant universe, blending tradition and modernity, attracts a new generation of consumers seeking immediate pleasure and authenticity.

ROSÉ

PRESENTATION

The perfect balance of this cuvée lies in the blend of two complementary grape varieties: Cinsault and Grenache. The delicate late-ripening Cinsault gives graceful wines endowed with a beautiful freshness. This Mediterranean variety tempers the richness and concentration of Grenache, a perfect ally, which, in turn, provides for the generosity and length of this rosé.

WINEMAKING

Upon a swift direct pressing that monitors the color transfer from the skins into the juices, the musts are clarified by flotation in order to obtain a very clear juice, vinified like a white wine. Temperatures are controlled (15°C) during fermentation. No malolactic fermentation.

AGEING

Our rosé is aged in vats for just a few months. We keep this step short voluntarily, in order to preserve the flavors and crisp of the fruit.

TASTING NOTES

Under its pretty pale pink color, this rosé shows a vibrant freshness with juicy aromas of raspberry and delicate floral notes of rose.

FOOD PAIRINGS

Served chilled, this rosé will go perfectly with a pizza, some grilled meats and vegetables, or just enjoyed on its own as an aperitif.
