## PRESENTATION

Located in Côte de Nuits, Domaine Denis Fouquerand embodies Burgundian excellence through precise and expressive wines. Its vineyard rests on limestone and clay soils, offering perfect conditions for Pinot Noir. The estate's cultural practices favor an integrated approach, limiting interventions to preserve the natural balance of the vines. ## TASTING

This Bourgogne Aligoté from Domaine Denis Fouquerand delights with its liveliness and frank aromatic expression. Its pale golden robe with crystalline reflections precedes an expressive nose marked by fresh citrus, green apple, and delicate floral hints. Mineral notes, typical of the appellation, highlight this fresh and precise aromatic profile. On the palate, the attack is vibrant and tonic, driven by chiselled acidity that prolongs the finish. The wine is harmonious, balanced, and pure, best enjoyed young to appreciate its full brightness.

## FOOD PAIRINGS

With its fresh and thirst-quenching profile, this Bourgogne Aligoté pairs perfectly with oysters, mussels marinière, or white fish ceviche. Its vibrant tension also makes it an excellent match for fresh goat cheese, jambon persillé, or a summer herb salad. For more adventurous pairings, it will beautifully accompany sushi, salmon tartare, or crunchy vegetable tempura, which its citrus energy and minerality will enhance.
