Spain, Bodega Heredad de Aduna, Aduna Blanco, DO RIOJA, Blanc

DO RIOJA, Rioja, Spain

To speak of the Rioja Alavesa is to speak of wine. And to talk about wine in the Rioja Alavesa is to talk about Heredad de Aduna. Located in Samaniego, one of those places where wine is lived, Heredad de Aduna has remained throughout its history faithful to a philosophy that always places it next to the tradition established by José Martínez Aduna. A tradition, of course, dynamic and constantly evolving towards a single goal: to always achieve the best.

PRESENTATION

From this principle arose a few years ago the new winery of Heredad de Aduna, which incorporated the most advanced technology always thinking in the noble value of tradition. It is there where the evolution of wines is provided with the best environment and each and every one of the knowledge that time has not ceased to prove right. Those that remain and endure.
