

No Limit

Sans Alcool

ROSÉ

PRESENTATION

Still not recovered from last night's party? Health at the heart of your priorities? Personal convictions? Simply want to drink without alcohol?

NO LIMIT is the perfect answer to all these obstacles to alcohol consumption. There is no limit except the capacity of the bottle... and believe us, you may want to cross that limit and open a second one! We won't tell, we promise.

THE WINE

VARIETALS: Cabernet franc, Cabernet sauvignon, Merlot

WINEMAKING / AGEING: Vinification on the fruit to provide a good base for the final product. Rebalancing of the sweetness and aromas in order to preserve the qualities of the basic wine while offering an original and tasty product. It is then carbonated to give it its sparkle.

ALCOHOL CONTENT: 0.00 % vol.

TASTING

A pale pink with fine, regular bubbles, enhancing the sense of vibrancy.

Fresh aromas of white fruits such as green apple and white peach, with a hint of wild strawberry and floral accents.

The palate is dominated by freshness and lightness, with a well-balanced acidity and flavors of green apple and pear.

The bubbles add a sparkling texture, and the finish is fruity with a slight citrus tang.
