

MARRENON

MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

Versant Sud, Les exceptions, AOP Luberon BIO, Rouge 2020

AOP Luberon, Vallée du Rhône, France

Versant Sud is a sunny, generous and enjoyable wine from organic farming.

PRESENTATION

The Luberon is a mountainous massif on which our vineyards stretch out according to various exposures, all along a string of villages with multiple facets. This cuvée comes from a selection of parcels located on the southern side of the Luberon. This cuvée shares the will of Marrenon's winegrowers to express the richness of their terroir in the respect of nature.

Limestone fragments with high stoniness. South facing slopes.

IN THE VINEYARD

Grapes are harvested at the beginning of October at high maturity. The plots are cultivated according to the principles of Organic Agriculture.

WINEMAKING

The vinification is controlled to keep the aromatic brightness of the grapes (low temperature of fermentation) while privileging the extraction on the juiciness (long maceration of 4 weeks).

Free-run juice only.
