DUC DE PERTIGNAC AOC Bordeaux - Red

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The tide, which flows up both of the region's rivers, brings very specific characteristics to the wines. With its huge size, Bordeaux reds offer an infinite palette of flavours and combine their qualities in myriad different ways.

PRESENTATION

The library of the Académie Françaises was confiscated by the state in 1803, after the Revolution. The collection of documents was entrusted to the city of Bordeaux, which saw the creation of its first municipal library, the Bibliothèque Mably which features on the label of our Duc de Pertignac wines. Available in Bordeaux red, rosé and white.
