

Château Gazin 2025

AOC Pomerol, Bordeaux, France

PRESENTATION

The style of Gazin wines, which is very representative of the Pomerol appellation, is mainly based on finesse. Feminine, charming, due to the dominance of Merlot, the wines of Château Gazin are pleasantly enjoyed after a few years of aging.

TERROIR

The vineyard of Château Gazin covers an area of 26 hectares in one piece located on the high terrace of the Pomerol terroir. The terroir of Château Gazin is composed of gūnzian gravel on the surface and includes, in the subsoil, blue and green clays including iron oxides (iron crust). These clays (smectites) allow a regular and moderate supply of water to the vine, a characteristic of great terroirs. The clay-gravel subsoil of the Pomerol plateau makes up the majority of the Château Gazin terroir. The vineyard is composed of 90% Merlot, 7% Cabernet Sauvignon, and 3% Cabernet Franc. The average age of the vines is 35 years.

HARVEST

Manual harvesting was carried out according to the ripeness of the grapes: Merlots: from August 28th to September 10th, 2025 Cabernet Franc: September 15th, 2024 Cabernet Sauvignon: September 19th, 2024.

WINEMAKING

Alcoholic fermentation takes place in small concrete tanks, separated by grape variety and plot, the juice and skins are then left to macerate for two to three weeks.

AGEING

Château Gazin 2025 is oak-aged in barrel for 14–16 months, of which 40% new and 60% second passage barriques.

VARIETALS

Merlot 87%, Cabernet-sauvignon 10%, Cabernet franc 3%

TASTING

A deep, dark and vibrant purple. A complex nose blending black fruits, blackberry and blueberry, alongside fresh fruits such as raspberry and redcurrant. On the palate, velvety roundness and silky tannins find harmony through an extreme freshness, a surprising feat for such a sunny year, turning each sip into a perfect balance between indulgence and vivacity.
